# *BE OUR GUEST*

Bring in this card to try out two morning classes of your choice in a week's time. First time guests only.

Golden Slipper at the JCC - Programs for Active Seniors began in September, 2008. The program is administered by the Golden Slipper Center for Seniors which was established in 1995 to provide programs to seniors living along the City Line Corridor. Both Golden Slipper at the JCC and Golden Slipper Center for Seniors operate under the aegis of the Golden Slipper Club and Charities, a unique philanthropy in Philadelphia that provides food, cash grants, college scholarships and a summer camp for economically disadvantaged children in the region.

Scholarships available for membership and class fees based on sliding income scale.
