Dr. Richard Shulman

Horsham, PA

215-674-4400

Dr. Neal Suway

Jenkintown, PA

Dr. Joshua Uram*

*deceased

The goal of the JCCs Denture Care Project is to match low income seniors with professional dentists who donate their time at no cost. Due to a contribution from an anonymous donor, the program has funds available to provide dentists with a modest assessment fee (\$85) and funding for the cost of the removable appliance.

Due to this project, low income seniors have received new dentures that help them remain independent, active and healthy. If you are a client needing assistance or a dentist looking to help, please contact the JCCs Stiffel Senior Center at 215-468-3500.

**KLEIN &
STIFFEL JCCs**

Partnering with Jewish Federation of Greater Philadelphia and United Way of SE PA and partially funded by Philadelphia Corporation for Aging.
